# BUSINESS UNIT Chem Solutions

*Innovation: the key to our success*

Continuous contact with the best international suppliers allows Chem Solutions to offer innovative products on the Italian market with high-level performance in the field of **electronics, surface treatment** and **inerting**.

## Electronic assembly

- Solder paste
- Flux
- Cleaner
- Coatings
- Solder bar & wires

## Surface treatment

- Solvent
- Detergent
- Modify alcol for degreasing

## Inerting

- Gas SF<sub>6</sub> for production and distribution energy

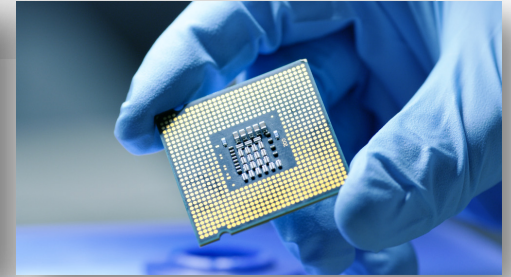

## Chemical and physical analyses

- Consultancy
- Certifications
- Analysis

Our major markets are

**Automotive • Industrial  
Power Electronics • Semiconductor  
Energy • Aerospace • Rail**

# TOP PRODUCTS Chem Solutions

Novec fluids & coating

3M™ Novec™ EGC  
3M™ Novec™

Solder paste, flux,  
cleaner and ultrathin  
coating

Promoclean™  
Promosolv™  
Topklean™  
Ecorel™  
Ecofrec™  
Promsolvoat™

Conformal Coating

AVR80  
AVR80BA  
UVLED

**BROQUETAS**  
LA SOLDADURA SEGURA - THE RELIABLE SOLDER

Fili e Leghe

Cored solder wire, Bar and  
Pellets

# TOP PRODUCTS **Chem Solutions**

<b>Ecorel™</b>	solder paste: SMT, Package on Package, Jet Printing, Die Attach
<b>Ecofrec™</b>	flux: PTH, Package on Package, Flip Chip
<b>Promosolv™</b>	solvent: Defluxing, maintenance
<b>Promosolv™</b>	ultrathin coating
<b>Topklean™</b>	solvent cleaners: Defluxing, Maintenance
<b>3M™ Novec™</b>	solvent based on hydrofluorether: cleaning after reflow
<b>3M™ Novec™ EGC</b>	thin coating based on 3M acrylic fluoropolymer
<b>AB CHIMIE CC</b>	Conformal coating acrylic, silicone, polyurethane and UV LED
<b>BROQUETAS</b>	Cored solder wire, Bar and Pellets

**Technical consultancy**

**Proximity**

**Innovation**

**Environment & Health Protection**
